

Direct Recruitment Seminar hosted by Dept. of CSE, AUST

Department of Computer Science and Engineering hosted a “**Direct Recruitment Seminar**” for the students of CSE department organized by Human Resocia Co. Ltd. with Venturas Ltd. (Japanese Ed-Tech Company based in Bangladesh) on December 19, 2018 at the seminar room. Japan is taking professionals from all over the world for the development projects of their country. They have started a project named “**Global IT Talent-Team**” to pick up the high performer and energetic engineers from different countries. In this process, they have started this program in Bangladesh and organized this recruitment process in public universities and renowned private universities. They have chosen Ahsanullah University of Science and Technology (AUST) as one of the top private universities in Bangladesh.

Professor Dr. Kazi A. Kalpoma, Head of department CSE, AUST inaugurated the program and delivered the opening speech. Founder & CEO of Venturas Ltd Ms. Yoriko Ueda conducted the seminar session and showed a presentation of the jobs perspective and facilities of working in Japan. She also shared the high level financial and social facilities of the people living in Japan coming from other countries. Project Manager of GIT Division of Human Resocia Ltd Mr. Matsubara Toshiyuki presented the scopes and work flow strategies of their company and portfolio. Prof. Dr. S.M. Abdullah Al Mamun, Associate Prof. Khairul Hasan, Associate Prof. Moinul Hoque, Associate Prof. Dr. Shahriar Mahbub and all the senior faculty members of the CSE department were present in the program. The interview of the students started from 3:30PM on the CSE department. Mr. Hajime Asahara, Senior technical Advisory of GIT Division Human took the technical session of the interview. More than 40 students were interviewed and Seminar Committee of Dept. of CSE conducted the whole session which fruitfully ended at 7:00 PM.
