Rules and Regulations

1. Team Formation and Registration Procedure

Each team must have at least two and not more than four members of which at least one must be either a current student of AUST or a AUST graduate. Registration information must reach us on or before 05 May 2018 through the following link.

<https://goo.gl/forms/hSirgsklOcAyoriA3>

After you submit your team's data, keep a copy of the Link that reads 'Edit your response' for editing your team data within the deadline.

2. Idea and Requirement Submission

The website must support Dynamic Content Management and be responsive across various devices. The teams have to study various national and international academic websites and place their proposal which must include the following details:

- ❖ Design framework
- ❖ Features of the website
- ❖ Sitemap of the website
- ❖ Image and data storage policy
- ❖ Data security issues
- ❖ Development tools
- ❖ Scopes of Scalability

This proposal must be detailed enough to be eligible to move to the next level. Selected teams will be notified by 14th May 2018 for the snapshot submission.

3. Snapshot Submission

The selected teams will design the website of AUST as per the 'Idea and Requirement' proposal and submit a mockup version in the provided web-hosting site. The details of the web-hosting will be communicated to the selected teams through email. The deadline for snapshot submission is 21 May 2018.

4. Winner Selection

The best designing team will be selected by a panel of judges and the winning team will be notified by 23 May 2018 about the award of the task to implement the website as desired by the University Authority.

The University authority may ask the winning team for some minor changes in requirements and design as per the goal of the University, and the winning team has to accommodate the same in the final version of the website.

5. Task Completion

The winning team will implement the final task by 02 July 2018 and receive the prize money after the successful hand-over of the same to the University Authority.
