

Opportunity for Participating Free Online Courses from Coursera.org

Ahsanullah University of Science and Technology (AUST) has received the opportunity to access and participate free online courses from [Coursera.org](https://www.coursera.org) under their **for Campus program**. Coursera for COVID-19 for Campus program is delivering job-relevant, multi-disciplinary online learning.

- **All the Students and Faculty members of AUST will be able to participate in 3764 paid courses from [coursera.org](https://www.coursera.org) for free of cost.**
 - Faculty can use Coursera's world-class tools to author content, assessments, and hands-on projects. Educators can also improve learner outcomes by tracking skill mastery and growth using Coursera's powerful learning analytics.
 - The courses are provided by more than 500 top universities of the world with online certification on completion of courses.
 - **Total of 10121 participants including students, faculty members and developers of AUST can access the courses.**
 - This offer will be **valid till July, 2020** and for the registered courses till **September 2020**.
 - ❖ **To get access to such opportunity**, students/faculty members/staff of AUST need to have an existing account registered/signed up in [coursera.org](https://www.coursera.org).
 - ❖ Respected heads of all academic departments are requested to send the list of their interested faculty members' and students' information as per attached proforma (full name and email of Coursera account with the validated id number of AUST in **.csv file**) to the administrator of Coursera as mentioned below:
1. A. M. Reasad Azim Bappy, Web Administrator, ICT at riasadazim@gmail.com
 2. Tonmoy Hossain Dihan, Lecturer, Dept. of CSE at tonmoy.cse@aust.edu
 3. Naimur Rahman Chowdhury, Lecturer, Dept. of MPE at naimur20rahman.mpe@aust.edu
 4. Hiridi Juberi, Lecturer, Dept. of EEE at hridi.eee@aust.edu

Director, ICT, AUST
